SCHEDULE 3 · CARRIAGE CHARGES AND ALLOWANCES

This Schedule forms part of the Framework Carriage Agreement between Global Retail Group Inc. and SwiftLine National Freight Corp.

Item (i) · Mileage Charge

The per-mile charge payable by the Customer for standard dry-van loads shall not, under any circumstances, exceed USD 2.40.

Item (ii) · Fuel Recovery

Any fuel recovery surcharge invoiced hereunder is limited to a ceiling of 12% calculated on the mileage charge.

Item (iii) · Waiting Time Allowance

No charge is payable for the first two hours of waiting time at a collection or delivery point. Thereafter, the applicable rate is USD 50 per hour or part thereof.

Item (iv) · Rebate for Volume

Where the Customer tenders more than fifty (50) loads within a calendar month, SwiftLine shall apply a rebate of 5% to the mileage charges for that month.
